About Evantec

Evantec is a Service Disabled Veteran Owned Small Business Enterprise specializing in training and management consulting services. We combine 60 years of business expertise and knowledge with the ability to assess your needs, determine the solution (whether training, organizational, process or other), plan efficiently, assign expert resources and implement flawlessly. Where most of our competitors only want to tell you what to do, we want to ensure your success by actually implementing a solution on-time and within budget.
